

UNITED WAY OF SALT LAKE STATEMENT ON DIVERSITY AND INCLUSION

United Way of Salt Lake reaffirms its commitment to create a supportive and inclusive environment, which enables all people to perform to their potential. Valuing diversity means valuing different backgrounds and perspectives, fostering teamwork among volunteers and employees, and maximizing contributions using the skills, talents, unique perspectives and experiences of all members of our community. Diversity and inclusion mean recognizing opportunities, and demonstrating the ability to address issues of diversity in the successful operation of United Way of Salt Lake.

Reviewed and approved by the Governance and Ethics Committee and adopted by the Board of Directors of United Way of Salt Lake, this 11th day of April, 2013.
