## Join a Donor Network

**Donor Network members believe in the power of working together and using relationships to change the odds for everyone in our community.**

Leadership Circle donors are crucial to our work with organizations across the Salt Lake valley. By giving \$1,500 or more annually they help ensure education opportunities, access to healthcare, and financial stability for every Utahn.

Women United members engage their power, wisdom, and generosity to remove barriers for kids in our community and the families who support them. Members invest \$1,500 or more annually in UWSL's work and participate in volunteer, social, and networking opportunities.
