

What Your Dollars Can Do

**UNITED
FOR
CHANGE**

United Way of Salt Lake is focused on improving health, education, and financial stability opportunities for Utah kids and families. **When you invest in United Way of Salt Lake, you support Utah 211, Promise Partnership Utah, and kids and families across the state.**

Every Dollar Makes a Difference

\$ 25 per month

Provides for a struggling family by giving them regular access to professional mental health counseling.

\$ 75 per month

Promotes education by increasing access to preschool and providing personalized interventions for at-risk students.

\$ 125 per month*

Pairs elementary and high school students together in a mentoring program, giving both learning and leadership opportunities.

**Giving at this level qualifies you as a Leadership Circle Donor.*

“Because of the help I received, I now work to give back and help other families who just want a better life for their kids.”

—Adriana

Adriana now volunteers at the community school where she learned English after emigrating from Mexico
