

## HELP US BOOST POSITIVE BEHAVIOR AT WOODROW WILSON ELEMENTARY!

Dear Community Members,

At Woodrow Wilson Elementary, we are dedicated to cultivating a positive learning environment where every student is recognized, celebrated, and encouraged to thrive. To enhance our efforts in promoting positive behavior and regular attendance, we're seeking your support in the form of donated items for our rewards program.

**Your contribution of tangible items will directly impact the success of our program, allowing us to provide meaningful rewards to students who consistently demonstrate positive behavior and attend school regularly.** Your donation will play a crucial role in creating an environment that celebrates and reinforces the values of responsibility and commitment.

You will find the list of supplies we are looking for on the back. For drop-off details or to coordinate your donation, please contact Jenessa Crandall.

Thank you for contributing to the positive development of our students and for being a valued member of our educational family!

Warm regards,

Jenessa Crandall
